- Height: 131 mm
- Width: 61 mm

Bulb characteristics

- Shape: Spiral
- Cap/fitting: E27
- Voltage: 220-240 V
- Dimmable

8718291146254

Highlights

Energy efficient

All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use fewer kW and thus also result in a lower energy bill. The level of energy saving differs per lamp type and technology.

Carbon footprint

Energy savers reduce the amount of energy in your home, which not only results in a lower energy bill, but also in less carbon (CO₂) output by your energy supplier. Together we make this a better world to live in.

Reliable quality

Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.

Wide-range dimming

Whatever light level you desire, the Philips energy-saving dimmable bulb delivers. Light level can be adjusted to suit the situation, whether that be watching TV, reading, eating or entertaining friends.
